

## Adoption Process

Fill out application and send it along with the adoption fee of \$300.00 to:

Old Dominion Greyhound Adoption  
Attn: Gay Latimer  
636 Piney Point Rd.  
Virginia Beach, VA 23452

We will review your application and schedule a home visit. If your application is approved, we will select the greyhound we feel has the best personality match to your family.

We are all volunteers and must coordinate with the track kennel to schedule transportation. As soon as we know when your greyhound will arrive you will be notified.

If you feel a greyhound would fit into your family and would like an application, please call:

757-486-7956

Or download the application from our web site

## About Greyhounds

Because the racing greyhounds have lived a very sheltered and regimented life, becoming a pet is almost like being “reborn”. Most greyhounds have never been in a house, seen a child, stairs, a pool, or a cat. As a result, they will be curious, awestruck, and somewhat frightened as they enter their new lives, but with a little understanding, love, and patience, they will adjust and blossom into a loving and well-mannered companion.

### Important Facts

- Greyhounds have always relied on a human to take care of them. They do not understand the dangers outside a fenced area...Greyhounds can see over 1/2 mile and can run over 40 miles an hour. Greyhounds are never safe outside a fenced area unless on a leash. Greyhounds cannot withstand extreme heat or cold.
- Greyhounds should never be tied or staked out (nor should any animal)
- Greyhounds are powerful sprinters and could break their neck if they decided to bolt or run.

Greyhound adoption fee is \$300.00

This includes spay or, neuter, dental, all shots, and heart worm test. Transportation from the kennel to the directors house in Virginia Beach is also included in the adoption fee.

You will also receive a welcome bag containing treats, a toy and other goodies for your new greyhound, and a special collar and leash designed for a greyhound.

You must agree to keep your greyhound as an indoor companion and never let your greyhound off a leash in an unfenced area. If you ever have to give your greyhound up, you must agree to return it to the Old Dominion Greyhound Adoption program.
